All local residents and visitors to Highgate Road please note that

THE VINE

is to be taken over from 8th December by Duncan and Maria. They promise a warm friendly atmosphere with plenty of chat, and maybe the odd session of live folk or traditional music at the weekends, Home cooked hot lunches will be served up in the near future (once kitchen has been decked out!) and the whole pub will be given some 'plastic surgery' to have it looking young and healthy and back to its full glory in no time.

So a warm welcome will be extended to all our neighbours and we'll do our best to ensure you're all looked after.

P.S. The Opening night is on Friday, 17th December starting as early as you like!!! when Joyce's Destiny will be playing some lovely tunes and a buffet will be available for those feeling hungry. Also, don't be shy anyone who can sign or dance as we'll have you on stage showing off your talents!!
